Sept – October 2023

This engagement was focussed on identifying key priorities

Using the themes, community representatives to develop vision, outcomes, measures and high-level strategies

Community engagement on the draft community plan: Whyalla 2040 Refinement and then widespread adoption of the community plan:
Whyalla 2040

There were nearly 200 community members and 120 staff members in two separate workshops on 12 April

Community representatives self-identified to participate in next phase of development

Community Steering Group to oversee development

Focus groups for each theme

Other stakeholders to provide commentary on all themes

Engagement to occur via workshops, networks, social media and written correspondence Refinement by Steering Group based on community feedback

Community adoption at 'Town Hall' style meeting

Adoption by other stakeholders at their own respective Board / Leadership meetings

Adoption by Council at Council meeting (November)

Feedback from this phase resulted in over 18 themes being identified as key challenges and opportunities

The work of this stage will result in the development of a draft Whyalla 2040 Feedback from this phase informs a fina community plan:
